

# Concrete Post Kit

The GripplE Concrete Post Kit is the complete solution to quickly and securely fasten trellis wires to all sizes of concrete end posts.

## FEATURES / BENEFITS

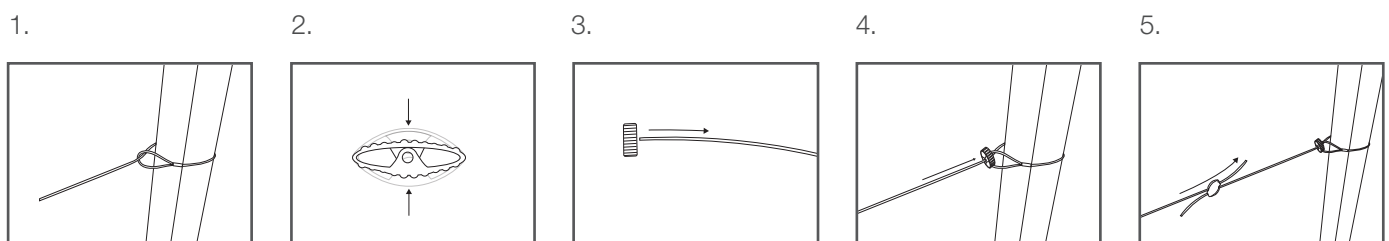

- Ready-to-use kit for quick installation
- Versatile pre-feruled wire rope loop fits all sizes of concrete post
- Manufactured with 1 x 19 zinc aluminium wire rope for corrosion resistance
- Squeeze-fit collar easily secures kit prior to tensioning
- Includes GripplE Plus Medium tensioner; easily re-tension year-after-year

## SPECIFICATION

Product	Wire Diameter	Wire Length	Maximum Working Load
Concrete Post Kit	3.00 mm	1.2 m	400 kg

## INSTALLATION

## TIPS

- Position collar tight to post to secure
- Apply tension to trellis wire rather than the post kit using a tensioning tool
